## Message from the Principal

Dear Parents and Guardians,

Can you believe that we have reached the end of term two already? It feels like just yesterday we were welcoming everyone back, and yet here we are, wrapping up another wonderful, busy, and fulfilling term. We are so incredibly proud of all the growth we have seen in our children, and we truly thank you for your continued trust and partnership throughout these past few months.

By now, you should have received your child’s report as all reports were sent out yesterday. Please take a moment to look through them with your child and celebrate their hard work and achievements.

As we look ahead to the break, we want to make sure you are clear on a few important dates. School officially closes on the 26th of June, but please note that children are allowed to stay at home on that day if you would prefer an early start to the holidays, there is no need to send them in.

Aftercare will be closed from the 13th of July until the 20th of July, so please make alternative arrangements during that time. School will then re-open on the 21st of July.

We also need to remind you that aftercare is not a free service. Should your child be picked up later than 14:30, you will unfortunately be charged an aftercare fee, so we kindly ask that you stick to the scheduled pick-up times to avoid any extra costs.

In addition, our bus service will now also be operating in the Rooihuiskraal area. If you would like to make use of this service please let us know.

We also are sad to bid farewell to Ma’am Kerry. We wish you all the best for the future!

## UNIFORM

**As winter has arrived, many parents are seeking school uniforms. Please follow the outlined process if you're interested in making a purchase:**

- **Your child must come to school for fittings. (Parents, please remember that sizing should not be based on age.)**
- **We will then place the order with the uniform supplier.**
- **You will need to pay the uniform supplier directly.**
- **An invoice will be issued only after payment has been made.**

**Delivery time for orders is approximately two weeks depending on the availability of items.**

On a different note, we are excited to share that we have a few dedicated moms running our marketing team, but we cannot do it alone - we truly need your help to get more exposure for our school. We would be so grateful if you could take just a few moments each day to like and share our posts on Facebook and Instagram. Every share, every like, and every comment helps more families discover what makes our school so special. Our big vision for January 2027 is to welcome 77 new children into our school family, and with your support, we know we can achieve that goal together.

Parents, please always remember that we are here for you. If you ever have any concerns, questions, or issues, big or small, please do not hesitate to communicate them to us. We truly believe that open communication is the key to a happy and successful school experience, and if we are not aware of something, we simply cannot fix it. Your voice matters, and we value every conversation we have with you.

Finally, from all of us at the school, we wish you and your families a very happy, restful, and safe holiday. If you are traveling, please travel safely, take good care of one another, and make plenty of beautiful memories along the way. We cannot wait to see you all again in July, refreshed and ready for another exciting term ahead.

Warm regards,

Ma'am Mandy  
Principal
