Message from the Principal

Dear Parents,

Can you believe how quickly this term has passed? With just under five weeks left in the school year, we're in the home stretch!
Our Intermediate Phase learners will begin their final examinations on October 26. Just a reminder that If a child misses an exam, a doctor's note is required. Without a valid doctor's note, your child will receive a score of 0 for that exam. Unfortunately, no exceptions will be made.

You have worked incredibly hard this year, now is your opportunity to shine. Believe in yourself; you are more prepared than you realize!

Study Tips for Success

- Start early—avoid cramming everything the night before.
- Set up a quiet study area free from distractions.
- Take short breaks—study for 45 minutes, then rest for 10 minutes.
- Ensure you get enough sleep and maintain a healthy diet.
- Don't hesitate to ask your teacher if you have questions.

We are cheering for each and every one of you!

For information regarding next year's school fees and levies, please visit our website, as the details have been uploaded. The stationery lists for 2027 will be sent out soon. Please note that all school fees for 2026 must be fully paid before year-end reports are issued.

Thank you for your ongoing support.

Warm regards,
Ma'am Mandy
Principal
